1. Fifty percent or greater ownership, with minority status based on ethnicity (self-classified only). The chart lists law firms based in New York, so the New York City office of Gonzalez Saggio & Harlan, with 10 lawyers, is not included as the firm is not based in New York state. The identities of the law firms listed were obtained from various sources, including the Minority Law Journal's National Directory of Minority Attorneys; the listings in this chart as published in June 2011; and responses to notices placed in the New York Law Journal. All firms that appeared eligible for listing were contacted. Firms that did not respond or did not wish to be included are omitted.

2. Ranked by number of permanent, full-time attorneys as of Dec. 31, 2010, and listed in alphabetical order in the case of a tie. For firms with more than one office, the main one is listed.
